

What can The Pause Method? do for your organization?

Commercial clutter increases the overall cost of doing business and the cost keeps rising. Are you aware that it costs 3 to 6 times more money to create market recognition? Ironically it generates only half the results, as compared to ten years ago.

This cost escalation and new levels of competition calls for greater creativity and proactivity for managers and executives, as well as the rest of the work force – all of whom would benefit from integrating The Pause Method™ into their daily decision-making, creative process and productive activities.

- Increase adaptivity to change
- Improve organizational culture
- Improve employees productivity
- Decrease hostility and frustration
- Increase creative problem solving
- Increase satisfaction
- Increase quality of customer service
- Increase proactive actions and decision making
- Improve the bottom line
